# Such A Long Time

## The Last Black Clouds (G.Zadrozynski/D.Zadrozynski)

*Am*  
Standing for a while  
*C*  
In front of the sea  
*Em*  
Surrounded by thoughts  
*Am*  
Still running after me  
*D*  
My spirit destroyed  
*C* *Em*  
Hard remembrances  
*Am*  
I don't understand

*Am*  
You were so particular  
*C*  
Like a flower in the desert  
*Em* *Am*  
Waiting for the rain that will never come  
*D*  
But you were right, I killed it  
*D*  
And I was wrong, I killed you  
*Em* *Am*  
I drowned everything

Chorus

*Am* *C*  
But you, you saw me running into the fire  
*Em*  
And you never hold me your hand,  
*Am*  
And I was by myself, feeling the pain,  
*Am* *C*  
And you didn't come visit my buried bones  
*Em*  
My soul waited for you in vain  
*Am*  
And I just hope I'll see you once again

*Am*  
You and me, we were so close  
*C*  
Soul to soul  
*Em* *Am*  
But love has its own erosion  
*D*  
I was straying near your heart  
*C* *Em*  
But couldn't find the way in  
*Am*  
And I broke it down

Chorus

-Solo-

Chorus

---

*Am*  
 The good times are gone,  
*C*  
 Many years from now  
*Em* *Am*  
 I even can't remind your face  
*D*  
 I've been dead for centuries  
*C* *Em*  
 And we haven't met  
*Am*  
 Such a long time
